REPORT OF INDEPENDENT AUDITORS

To the Board of Directors
The Humpty Dumpty Institute, Inc.

We have audited the accompanying statement of financial position of The Humpty Dumpty Institute, Inc. (a not-for-profit corporation) as of December 31, 2007, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Humpty Dumpty Institute, Inc. as of December 31, 2007, and the change in its net assets and cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 26, 2008 on our consideration of The Humpty Dumpty Institute, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal controls over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Pascale, Razzino, Alexanderson & Co., PLLC

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of The Humpty Dumpty Institute, Inc. taken as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments and Non-profit Organizations and is not a required part of the basic financial statements. The supplementary schedule of functional expenses is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31 2007

1. Description of Organization and Summary of Significant Accounting Policies:

a. Nature of Operations

The Humpty Dumpty Institute (HDI) (the "Organization") is a results oriented non-profit organization forging innovative public-private partnerships designed to solve specific international problems. HDI fosters dialogue between the U.S. Congress and the United Nations through a series of creative programs that identify and provide opportunities to discuss common causes among leading policy-makers from both institutions. HDI also battles the landmine epidemic by working with a wide network of partners to support mine-clearance projects around the globe, including Angola, Armenia, Eritrea, Laos, Lebanon, Mozambique, Sri Lanka and Vietnam.

b. Basis of Accounting

The accompanying financial statements were prepared utilizing the accrual basis of accounting in accordance with United States generally accepted accounting principles.

c. Property and Equipment

Purchased property and equipment are recorded at cost. Significant betterments, which extend the useful lives of assets, are capitalized and repairs are expensed as incurred. Depreciation is calculated using accelerated methods over the useful lives of the assets. Computers are depreciated over five years and office equipment is depreciated over seven years.

d. Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Laws and regulations governing the federal grant programs are complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount in the near term. Accordingly, actual results could differ from those estimates.

THE HUMPTY DUMPTY INSTITUTE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2007

1. Description of Organization and Summary of Significant Accounting Policies: (continued)

e. Donated Services, Materials and Facilities

The Organization receives donated services from a variety of unpaid volunteers. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort under SFAS No. 116 have not been satisfied. SFAS No. 116 provides that the value of contributed services should be recognized if the services either create or enhance the value of a nonfinancial asset, require specialized skills, are provided by individuals possessing those skills, and would typically be purchased if not provided by donation.

f. Net Assets

Resources restricted by donors for specific operating purposes are included as temporarily restricted funds. When the restriction expires, that is, when the stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities.

g. Cash and Cash Equivalents

The Organization maintains its cash balances at financial institutions, which at times exceeds federally insured limits of \$100,000. Temporarily restricted cash balances are for USDA grant programs directed towards Sri Lanka and Laos. HDI has not sustained any losses on uninsured balances and the banks used by HDI are highly rated. The Organization considers all highly liquid debt instruments purchased with maturity of three months or less to be cash equivalents.

h. Financial Statement Presentation

The Organization implemented Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets include the net assets that are neither permanently restricted nor temporarily restricted by donor-imposed stipulations. These net assets represent resources available for the support of the Organization's operations.

THE HUMPTY DUMPTY INSTITUTE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2007

1. Description of Organization and Summary of Significant Accounting Policies: (continued)

Temporarily restricted net assets include items which either must be used for purposes specified by donors or are designated to periods beyond the next year (time restricted). Permanently restricted net assets represent those net assets that a donor has instructed the Organization to maintain in perpetuity or permanently. There were no permanently restricted net assets as of December 31, 2007.

i. Allowance for Doubtful Accounts

The Organization utilizes the reserve method of accounting to provide for an estimate of potentially uncollectible pledges and grants receivable. There were no uncollectible pledges and grants at December 31, 2007. Therefore, no allowance for doubtful accounts was recorded at December 31, 2007.

j. Support and Revenue Recognition

The Organization has adopted SFAS No. 116, "Accounting for Contributions Received and Contributions Made," whereby Contributions or Grants received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor time or use restrictions. Restricted contributions or grants are reclassified to unrestricted upon satisfaction of the time or purpose restrictions. In-Kind donations from the USDA are valued at estimated resale prices of the donated commodities using the lower of cost or market inventory method.

Private contracts, grants, and donations are recognized as revenue in the unrestricted fund when such amounts represent unconditional transfers from donors. Conditional promises to give are recognized when the conditions on which they depend are substantially met. All contributions are considered available for unrestricted use unless specifically restricted by the donor.

k. Income Taxes

The Organization qualifies as a tax exempt, not-for-profit organization under Section 501 (c) (3) of the Internal Revenue Code and similar state statutes. Accordingly, no provision for federal or New York State income taxes is required.

THE HUMPTY DUMPTY INSTITUTE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2007

1. Description of Organization and Summary of Significant Accounting Policies: (continued)

I. Advertising

The Organization expenses advertising costs as incurred. There were no advertising costs during the year ended December 31, 2007.

m. Functional Expenses

The common costs of providing the various programs and supporting services are allocated on a functional basis in the statement of activities. The allocation of expenses between the program expenses and supporting services expenses are based upon management's estimates using rational allocation methods.

n. Translation of Foreign Currencies

Asset and liability accounts are translated into U.S. dollars using exchange rates in effect at the date of the statement of financial position; revenue and expense accounts are translated at average monthly exchange rates. Translation adjustments are reflected as a component of net assets. For the year ended December 31, 2007, the Organization deemed any translation adjustments to be insignificant to the financial statements. Therefore, no translation adjustment was reported.

2. Property and Equipment

Property and Equipment consists of:

Computer Equipment	\$ 17,470
Other Equipment	<u>8,569</u>
	26,039
Less: Accumulated Depreciation	<u>(19,629)</u>
	\$ <u>6,410</u>

4. Economic Dependency

HDI is economically dependent on the United States Department of Agriculture to pay its future subcontractor obligations for the Sri Lanka and Laos grant contracts. (See Note 5)

5. Concentrations

Temporarily restricted grants and Board member contributions accounted for 77.4% and 21.8%, respectively of total support and revenues for the year ended December 31, 2007.

I. USDA Food for Progress Commodity Monetization Agreement (Sri Lanka)

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING
STANDARDS**

To the Board of Directors
The Humpty Dumpty Institute, Inc.

We have audited the financial statements of The Humpty Dumpty Institute, Inc as of and for the year ended December 31, 2007, and have issued our report thereon dated September 26, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered The Humpty Dumpty Institute, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the Organization's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Organization's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Humpty Dumpty Institute, Inc's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amount. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

We noted certain matters that we reported to management of The Humpty Dumpty Institute, Inc. in a separate letter dated September 26, 2008.

This report is intended solely for the information and use of management, Board of Directors, and the federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE
WITH OMB CIRCULAR A-133**

To the Board of Directors
The Humpty Dumpty Institute, Inc.

Compliance

We have audited the compliance of The Humpty Dumpty Institute, Inc. with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended December 31, 2007. The Humpty Dumpty Institute, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants, applicable to each of its major federal programs is the responsibility of The Humpty Dumpty Institute, Inc.'s management. Our responsibility is to express an opinion on The Humpty Dumpty Institute, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about The Humpty Dumpty Institute, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of The Humpty Dumpty Institute, Inc.'s compliance with those requirements.

In our opinion, The Humpty Dumpty Institute, Inc. complied, in all material respects, with the requirements referred to above that are applicable to its major federal programs for the year ended December 31, 2007.

Internal Control Over Compliance

The management of The Humpty Dumpty Institute, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audits, we considered The Humpty Dumpty Institute's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of The Humpty Dumpty Institute, Inc.'s internal control over compliance.

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

The Humpty Dumpty Institute Inc.'s response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit The Humpty Dumpty Institute Inc.'s response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the Board of Directors, management, and the federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.
